Asterias Beach Hotel

Welcome to the Asterias Beach

Our commitment is to make your wedding day a dream come true. Trust us to provide a magical setting by the sea, with a celebratory atmosphere that is truly unforgettable. Your wedding day should be one of the most memorable days of your life.

We choose to host only one wedding per day. We truly want you to have the wedding day you wish for – your way.

The Asterias Beach Hotel is family owned and run, now with a third-generation Management team, with hotel and wedding experience led from the heart, which we feel is essential for creating extra special occasions.

We invite you to pledge together, your love forever in the Cyprus sunshine, with the turquoise sea glistening and views of the alluring golden sand beach in front of you. All our venues have been created to captivate the perfect ambience for your fairytale day.

Wedding reception buffets are created specially to complement our wonderful climate. We offer bespoke packages which suit all budgets and wedding sizes up to 300 guests.

Packages:

Our packages do not include your marriage license and registrar fees, these are paid directly to the Town Hall. Our packages include VAT and all taxes.

Please refer to our Weddings brochure for Terms & Conditions.
