ARSINIA MASSAGE

Arsinia massage is the most relaxing massage treatment in our menu. The sesame warm oil is the central component of this practice. When combined with massage strokes, it's thought to promote overall health and wellness. Using heat during a massage has many benefits beyond just helping the body to relax. In combination with moistened warmed towels is a popular way to achieve this effect. Reduce joint and muscle stiffness and increase blood flow in the areas where it is applied.
